Solid foundations solid futures

WELCOME TO THE NCIE

The National Centre of Indigenous Excellence is a not-for-profit social enterprise working to build capability and create opportunity with and for generations of Aboriginal and Torres Strait Islander people, by delivering life-changing programs.

Framed in our values of excellence, integrity, inclusiveness and growth NCIE programs and enterprises are expected to directly impact the lives of more than 8000 Aboriginal and Torres Strait Islander people throughout Australia in 2017-18.

NCIE's presence in Redfern – regarded by many as 'the beating heart of urban Aboriginal Australia' – honours a legacy of community control while striving towards sustainability in the midst of unprecedented private development.

Corporate interest and engagement in the NCIE is growing, especially through Job Ready, Conferencing and Indigenous Digital Excellence programs.

NCIE is a Supply Nation registered business supplier. When you do business with the NCIE you are directly supporting the current and future health and wellbeing of Aboriginal and Torres Strait Islander people.

WE ARE BUILDING

a thriving and innovative cultural hub grounded in strong cultural identity in a contemporary urban setting. Up to 100 staff keep the Centre running seven days a week.

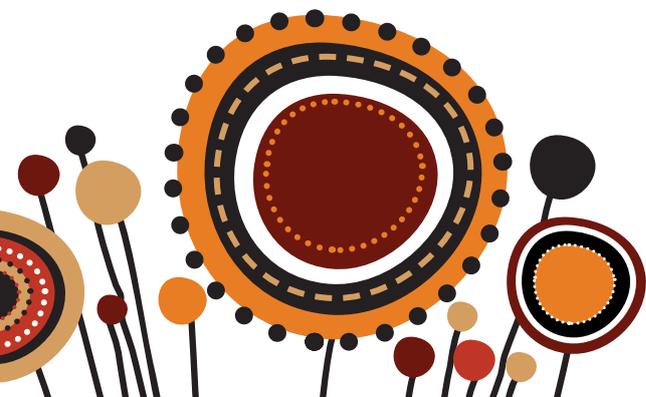

WE WORK

with partners based on shared vision, shared values, community value creation and a determination to work for excellent futures for Aboriginal and Torres Strait Islander People.

YOUR DONATION

to the NCIE is a tax deductible contribution to solid foundations and solid futures for our people. We invite you to support us via philanthropic or corporate support or direct donation.
